ARTISTIC SPIRIT AND TOUCH OF DECADENCE

It was a perfect day for hanging around the city. As soon as he hopped on his bike and rode down the narrow paved street, he noticed the sound of his brass bell ringing on the cobble stones. How much he appreciated his comfy saddle! He stopped on the traffic lights while the girl on a stylish dutch bike... smiled at him and soon after rode in the opposite direction. He wondered: what if I had just passed the love of a lifetime? It can't be like that! He turned back pedaling quickly and caught up with the girl. She noticed him smiling again and said: „Fancy bike...“

Ese día fue ideal para andar por la ciudad. Cuando él subió a la bici y fue por la calle de empedrado, recordaba como le gusta el tono de timbre que suena en los adquirines y ... el sillín muy cómodo de su bici. Paraba en la calle en la bici femenina de estilo, y ellase sonría a él ycada uno se fue en su dirección. Iba y pensaba: y ¿ si acaba de pasar con el amor de su vida? ¡No se puede simplemente dejarlo! Entonces se volvió y pedaleó tan rápido para alcanzar a esa chica. Tan pronto como ella lo notó, ella sonrió de nuevo, diciendo: "que bicicleta bonita "...

Это был идеальный день для шатания по городу. Как только он сел на велосипед и поехал по выложенной брусчаткой улице, он вспомнил, насколько сильно ему нравится звук звонка, разносящийся над бульжной мостовой и.... мягкое и удобное сиденье его велосипеда. Он остановился на светофоре на своей стильной дамке, а она... улыбнулась ему и... каждый из них продолжил свой путь. Он ехал и думал: а что если я только что упустил любовь всей своей жизни? Этого ни в коем случае нельзя было допустить! Поэтому он развернулся и что было сил крути педали, догнал девушку. Только увидев его, она ему снова улыбнулась, сказав: „классный велосипед“...

THE BEST MOMENTS OF LIFE

Finally it's spring so all the flowers and trees are in full bloom. It is good to be a student but sitting inside the university room is tiring especially when you can meet your girlfriend for a picnic in the park. He hopped on his bike, passing by a local bakery. He bought some croissants - the breadcrumbs will be left for sparrows. Then he dropped by the grocery and picked some ripe strawberries – his girlfriend is very fond of them. He could be cruising like this all day long but she was waiting for him in the park. And riding together is the best thing!

Por fin un rato de descanso. Estabamos a mayo, todo florecía, es muy divertido estudiar, pero en los días calurosos como ese, es difícil sentarse en clase... especialmente cuando se puede quedar con su novia para un picnic en el parque. Entonces subió a la bici, pasó por la panadería. En el picnic tiene que tener unos cruasanes para tener unas migajas para dar a comer a los pajaritos. Después fue a un mercadito y puso a su cesta las fresas, a su novia le gustan. Quería montar en bici todo el día, pero su novia ya esperaba en el parque...se puede montar siempre y es mejor si se puede hacerlo en parejas.

Наконец-то перерыв в занятиях. Наконец-то наступил май, все вокруг цвело, даже учиться было приятно, однако в такой день как этот, трудно было усидеть на занятиях... особенно когда можно договориться с девушкой и устроить небольшой пикник в парке. Поэтому он сел на велосипед, по пути заскочив в пекарню. Для пикника обязательно нужны рогалики, после которых останутся крошки для птиц. Потом он заехал на рынок - и в корзинке появилась клубника - ведь его девушка ее очень любит. Он мог бы так ездить весь день, но ведь она уже ждала его в парке... а покататься можно всегда успеть, а лучше всего вдвоем.

LET THE ADVENTURE BEGIN!

As soon as it gets warm, we can't stay at home during the weekend. Because weekend means bike! This time we decided to do a crazy thing. We caught a local train, of course with our two-wheelers, and decided to get off on the first station starting with the letter „S”. We immediately ducked into the forest... and kept on cruising without any rush, admiring the blooming trees and flowers for the next couple of hours. From this time on, we use to call such trips „plant safari”.

Cuando hace sol, no podemos quedarnos en casa el fin de semana. Porque el fin de semana significa la bici. Esta vez hemos decidido hacer algo loco y hemos subido al. tren suburbano con las bicicletas. Según el plano hemos bajado en la primera parada, que su nombre empieza por la letra “S”. Inmediatamente fuimos al. bosque...y montando en bicis hemos mirado a la naturaleza que se ha despertado a la vida. Desde ese momento los paseos similares llamamos “los safaris vegetales”.

Как только на улице становится тепло, ничто не может нас удержать дома в выходные дни. Ведь выходные - это велосипед. В этот раз мы решили действовать нестандартно и сели с велосипедами в пригородный поезд. Согласно плану мы вышли на первой станции, название которой начинается на „С”. И сразу же нырнули в лес... и так не спеша крутя педали, любовались в течение следующих нескольких часов пробуждающейся природой. В такие моменты подобного рода прогулки мы называем „лесным сафари”.

RECREATIONAL

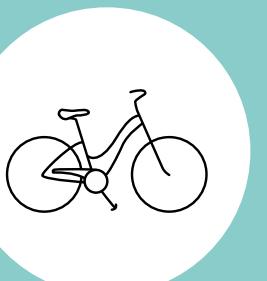

COMFORT bikes were designed specifically for recreational riding: they perform equally well in the concrete jungle, on the park alleys as well as on the forest trails.

Las bicicletas de la serie COMFORT fueron diseñados así para garantizar la comodidad del paseo tanto en la jungla urbana, en los senderuelos en el parque, como en las rutas del bosque – entonces fueron creadas para el viaje recreativo.

Велосипеды из серии COMFORT разработаны с учетом комфорта езды как в городских джунглях, по парковым аллейкам, так и по лесным тропинкам - они созданы для отдыха.

PURE SUMMER PLEASURE

Ice-cream, cotton candy or maybe a basket of ripe raspberries? It was a hard decision to take for cruiser riders who just entered the seaside promenade. Suddenly they stopped, took a look around and agreed to keep their options open, taking into account the marvellous views. They took off their flip-flops, put them in the bike basket and found their perfect place on the beach. It was the beginning of sunset.

¿Los helados...los gofres...el algodón de azúcar...o las frambuesas? Es una elección muy difícil que tenían que hacer los que iban en las bicis cruiser cuando fueron al malecón. Después se pararon, miraron a su alrededor y por hermosas circunstancias naturales, decidieron dejar para más adelante la decisión. Quitaron las chanclas, las pusieron a la cesta de bici y encontraron un sitio en la playa. En ese momento había la puesta del sol.

Мороженое... вафли... сахарная вата... а может, малина? Именно такой сложный выбор предстояло сделать велосипедистам-круизерам, когда они выехали на приморский бульвар. А потом они остановились, осмотрелись вокруг и учитывая красоту окружающей природы, решили отложить принятие решения на неопределенное „потом“. Сняли сандалии, закинули их в корзинку велосипеда и нашли себе место на пляже. Был закат, солнце клонилось к горизонту.

CRUISER

PLEASANT AND WITHOUT ANY RUSH

CRUISER line bikes were created based on the designs of "beach" bicycles dating back to the 30's of the twentieth century. Thick wheels, comfy saddles and upright position that makes for admiring the surroundings, mean that even in the city you may feel like on holidays.

Las bicicletas de la serie CRUISER fueron creadas en base de los proyectos de las bicis de la playa de los años 30 del siglo XX. Su regla principal fue la comodidad. Las ruedas anchas, los sillines blandos y la postura estirada hace que aun en la ciudad se puede sentirse como en las vacaciones.

Велосипеды из серии CRUISER разработаны на основе моделей „пляжных” велосипедов 30-х годов XX века, основной задачей которых был комфорт. Благодаря толстым колесам, мягким сидениям и прямой посадке, удобной для любования окрестностями, даже в городе можно почувствовать себя как в отпуске.

WHAT A RACE!

First we needed to complete the team. Everybody wanted to pimp up his bike so we needed some extra time. Boys polished the frames, the girls installed the fancy bells. And so it began. Someone brought the start flag, the other counted down 3...2..1 and we raced till the end of the street! Who won? It's hard to tell, because it is not only the speed, but also the style that counts!

Al principio tuvimos que reunir todo el equipo. Había que esperar un poco porque cada uno quería tener la bici más bonita. Los chicos pulían y las chicas apretaban los timbres juveniles. Y después empezó. Alguien trajo una banderita ajedrezada, alguien contó y después corrimos en competencia hasta el final de la calle. ¿Quién ganó? Es difícil decir, porque hay que tener en cuenta no solo la rapidez, pero también estilo con que gana.

Сначала надо было собрать полную команду. Немного пришлось подождать, потому как каждый хотел, чтобы его велосипед был самым крутым. Парни полировали лаковое покрытие, а девушки прикручивали круглые звонки. Ну а потом началось. Кто-то принес гоночный флаг, кто-то начал отсчет, после чего мы начали заезд на скорость до самого конца улицы! Кто победил? Сложно ответить, ведь тут важна была не только скорость, но и стиль достижения победы!
